

Almond and Basil Pesto

In a food processor chop:

2 cups basil leaves (washed)

4 cloves garlic (peeled)

1/4 medium onion

1 cups Almonds

While motor is still running add:

4 tablespoons olive oil

4 tablespoons water

Open food processor and add:

1 cups fresh grated parmesan cheese

1/4 tsp pepper or to taste

1/4 tsp salt or to taste

Replace lid and process briefly until mixed.

Mix with hot pasta, or double the recipe and freeze remaining pesto in ice cube trays to use for a quick pasta meal.
